Education

Sri krishna arts and science college	Coimbatore,TamilNadu
Bachelor of Science in Computer Science with Cognitive Systems	2026
CGPA: 8	

Vivek Vidyalaya matriculation Hr.Sec.School	Coimbatore,TamilNadu
HSC:92.66	2023

Projects

Live sports score tracking application

Real-time sports score app for cricket, football, and basketball with live updates, player stats, and match highlights. Users can follow favorite teams. Built using **Node.js, HTML, CSS, and JavaScript**.

Hybrid Recommendation System with Collaborative filtering and clustering

A personalized recommendation system combining **collaborative filtering** and **clustering** to improve accuracy and scalability. Built with **Python, Pandas, Scikit-learn, NumPy, Streamlit, and Matplotlib**.

Technical Skills

- **Programming Languages:** Python, JavaScript, HTML, CSS
 - **Data Science Tools:** Jupyter Notebook, Pandas, NumPy, Scikit-learn
 - **DevOps & Version Control:** Git, Jenkins
 - **Databases:** MySQL, DBMS
 - **Generative AI:** Prompt Engineering, Gen AI Tools
 - **Interpersonal Skills :** Communication, Teamwork, Problem Solving and Decision Making
-

Certifications

- Python with Artificial Intelligence Internship certificate by **Gateway Software Solutions**
 - Generative AI certificate by **Ampo Technologies**
 - Completion of Java Training certificate by **Spoken Tutorial**
-

Achievements

- Secured 2nd Prize for paper presentation on **Generative AI in a National-level Technical Symposium**
- Participated in **Google Solution Challenge 2025 (Global Level)**
- Presented a paper in a ***National Inter-Collegiate F**
